WHITEBOARD COATED STEEL WITH SYNTHETIC SOFTLINE PROFILE

If the boards are less intensively used, this coated steel variant of our classic Softline whiteboards is a price-saving alternative. The board is magnet attachable, can be written on and is dry erasable, and is finished with a grey synthetic Softline profile including grey synthetic corner pieces. Delivery includes assembly materials ('mirror suspension') and pen tray. Recommended accessories: Universal Starter Kit (see page 21).
